

Sorry's Not Good Enough

McFly

[illegible]

Don't go changing
(Sorry's not good enough)Don't go changing
(Sorry's not good enough)
Don't go changingSorry's not good enough
Why are we breaking up?
'Cause I didn't treat you rough
So please don't go changingWhat was I thinking of?
You said you're out of love
Baby, don't call this off
Because sorry's not good enoughSorry's not good enough
Sorry's not good enough
