

# Beyond The Invisible

## Enigma

I look into the mirror see myself, I'm over me  
I need space for my desires have to dive into my fantasies  
I know as soon as I'll arrive everything is possible  
'Cause no one has to hide beyond the invisible  
Sajaja bramani totari ta  
Raitata raitata  
Radu ridu raitata, rota  
Close your eyes just feel and realize  
It is real and not a dream, I'm in you and you're in me  
It is time to break the chains of life  
If you follow you will see what's beyond reality  
Ne irascaris Domine, ne ultra memineris iniquitatis

Ecce civitas Sancti facta est deserta sion deserta facta est  
Lerusalem desolata est domus sanctificationis tuae  
Et gloriae tuae  
Close your eyes just feel and realize  
It is real and not a dream, I'm in you and you're in me  
It is time to break the chains of life  
If you follow you will see what's beyond reality  
Close your eyes just feel and realize  
It is real and not a dream, I'm in you and you're in me  
It is time to break the chains of life  
If you follow you will see what's beyond reality
