

# Danger, Keep Away

## Slipknot

[Incomprehensible]We too feel alone, we too feel alone

We too feel alone, we've too feel alone

We too feel alone, we too feel alone

That place in my mind

Is that space that you call mine

That place in my mind

Is that space that you call mine

Where have I been all this time?

Lost enslaved fatal decline

I've been waiting for this too unfold

(Good)

My pieces are only as good as the whole

Severed myself from my own life

Cut out the only thing that was right

What If I never saw you again?

I'd die right next to you in the end

That place in my mind

Is that space that you call mine

That place in my mind

Is that space that you call mine

I won't let you walk away

Without hearing what I have to say

Without hearing what I have to say

Without hearing what I have to say
