

How Soon Is Now

David Guetta, Dirty South, Sebastian Ingrosso & Ju

I see the light inside you
Brighter than the skies
Hold on just let us escape
And fly away tonight
We have the world in our side
When I know together we'll be alright
When you sleep forever we will go
We are forever learning
One step at a time
As long as the world is turning
I'll be by your side
We'll keep the fire burning
I'll never see you hurt (I'll never see)
You know I can't explain it
In a way of words
We both know that you'll understand
And you'll see if you take my hand
And I'll go out of my own way
For you For you
I'll go Out of my own way
