Don't Love Me

Dwarves

Don't love me like you love your country
Don't tell me how much you love me
Don't love me and get violent
Because I cause you pain
So don't make me make you hate me
Don't love me, don't love me
I heard you tell me you were 5 on Friday
You're eating fish on Friday
Because you said you love me
Because you think I care
You maybe just feel sorry
This is such a bad affair
Don't love me
