Dick barber (snorks) I don't do publicity balling for you anymore... The first word in this song is discorporate.

It means: to leave your body Discorporate & come with me

Shifting; drifting

Cloudless; starless

Velvet valleys & a sapphire

Sea: wah wah Unbind your mind

There is no time

To lick your stamps

And paste them in

Discorporate

And we will begin... wah wah! Flower power sucks! Diamonds on velvets on goldens on vixen

On comet on cupid on donner & blitzen

On up & away & afar & a go-go

Escape from the weight of your corporate logo! Unbind your mind

There is no time

Boin-n-n-n-n-g

To lick your stamps

And paste them in

Discorporate

And we'll begin

Freedom! freedom!

Kindly loving!

You'll be absolutely free

Only if you want to be Dreaming on cushions of velvet & satin

To music by magic by people that happen

To enter the world of a strange purple

Jello

The dreams as they live them are all

Mellow yellow Unbind your mind

There is no time

Boin-n-n-n-n-g
To lick your stamps
And paste them in
Discorporate
And we'll begin
Freedom! freedom!
Kindly loving!
You'll be absolutely free
Only if you want to be
You'll be absolutely free
Only if you want to be
