

Hiding Inside

Agnostic Front

Hiding your feelings yourself inside because you're afraid to express them and lose your pride but why try to be
someone you're just not why keep hiding, letting the real you rot yes, you're afr
O get caught off guard because you don't know how they'll think (is he "soft" or "hard") but does it really
matter, does it really bother you? to try to be someone else, a fo
Ading yourself on to (a life that's not for you) can't you act and be yourself not another character in a hardcore
