

# The Bitch Is Back

## Hysterica

She took the train from utopia  
Promising curves of euphoria  
It seem the way she wants,  
It seem the way she talksHeart's beating faster every time  
She puts you at the end of the line  
There's no use to retire  
You know she's a destroyerShe teases you and bleeds your heart  
Just to rip it out againThe bitch is back, she's back  
The bitch is back  
The earth is crushed by her feet  
The wind decreased by her heat  
Don't let her play with your soul  
You'll end up known like a foolSeek and destroy are her calls  
A plea to heaven she falls  
A penus digging your grave  
You'll be forever her slaveShe teases you and bleeds your heart  
Just to rip it out againThe bitch is back, she's back  
The bitch is back  
She's back to rule the worldOne look at her is all you need  
Now get down on your knees and bleed  
One look at her is all you need  
You'll get down on your knees and bleed  
The bitch is back, she's back  
The bitch is back  
She's back to rule the world  
She's back  
The bitch is here to rule all of you  
Watch out, the bitch is back
