

O B 1

Jagwar Ma

What do you need from me?
What should I expect?
What do you see in me?
What do I see in you? What have you been doing?
What have you been saying? She would be saying that you were a liar
And she would be loving this, you ought to let her
But shade ain't a place that can set you on fire
So that leaves me, leaves me You warm me up, you wore me down, I get the feeling now
You warm me up, you warm me up
You warm me up, you wore me down, I get the feeling now
You warm me up, you warm me up
What do you want from me?
Do you need from me?
Do you need from me? How do I get through to you?
Do I get through to you? n Do I get through?
Do I get through? She would be saying that you were a liar
And she would be loving this, you ought to let her
But shade ain't a place that can set you on fire
So that leaves me, leaves me You warm me up, you wore me down, I get the feeling now
You warm me up, you warm me up
You warm me up, you wore me down, I get the feeling now
You warm me up, you warm me up
You warm me up, you wore me down, I get the feeling now
You warm me up, you warm me up
You warm me up, you wore me down, I get the feeling now
You warm me up, you warm me up
You warm me up, you wore me down, I get the feeling now
You warm me up, you warm me up
You warm me up, you wore me down, I get the feeling now
You warm me up, you warm me up
You warm me up, you warm me up.
