

Come Back to Me Shawty

Tyrese

(Come back)I guess it looks like my playa face has got me messed up again
She had me dippin' now I, I'm feelin' guilty
'Cause you gave me a second chance and damn I did it again
Tryin' be flyAnd now I'm sittin' here tryin' to figure out
How to get my baby back
I done apologized so many times and girl I don't know
If she's comin' home, damn you tryna be fly, babyCome back to me shawty
'Cause you takin' my heart away
Come back to me shawty, please forgive me
Come back to me shawtyI can't erase you, ain't no replacin' you
'Cause you know you got that bomb, bomb
And I'm really missin' you, yeah
Come back to me shawty
'Cause you takin' my heart awayGirl, I know that it's crazy that we goin' through this again
I know I promised that I wouldn't be so selfish
All my life girl you never gon' be feelin' this way again
Tryna to keep myNow I realize she ain't worth losin' ya
And I shoulda been witchu instead of doin' her, baby
But I'm gonna do much better, willin' to do whatever
'Cause I'm tryna keep my, babyCome back to me shawty
'Cause you takin' my heart away
Come back to me shawty, please forgive me
Come back to me shawtyI can't erase you, ain't no replacin' you
'Cause you know you got that bomb, bomb
And I'm really missin' you, yeah
Come back to me shawty
'Cause you takin' my heart awayIt's really killin' me
Just tryna leave without you
And I ain't gon' make it if you say I've lost you
So I'll never stop until I get you back shawtyCome back to me shawty
'Cause you takin' my heart away
Come back to me shawty, please forgive me
Come back to me shawtyI can't erase you, ain't no replacin' you
'Cause you know you got that bomb, bomb
And I'm really missin' you, yeah
Come back to me shawty
'Cause you takin' my heart awayCome back to me shawty
'Cause you takin' my heart away
Come back to me shawty, please forgive me
