

Eyes Of A Child

Sully Erna

Light the flame
Hands are turning away
Restless souls
Are crying to release them from the pain
They can't take the pain Time's so wasted
It wastes away
Resurrect me Jesus Christ
I'm so lonely for you
Hear the children cry but one by one they die
Can't you help them?
Look what we've done to ourselves, yeah The eyes of a fallen child
Taking away the innocence of life
Deliver me, deliver me out from this pain
And I will live through you again
Through the eyes of a child Down pouring rain
But death comes with a shame
We look away
And feel the stains of blood-soaked tears made from their fears
Helpless ones all alone
Why don't we stand by their side? The eyes of a fallen child
Taking away the innocence of life
Deliver me, deliver me out of this pain
And I will live through you again
Through the eyes of a child Whoa yeah
Yeah yeah yeah
Whoa
Through the eyes of a child
Whoa
Through the eyes of a child
