

Bachelor Party

Oingo Boingo

It's the last time, it's the last chance
It's a fond farewell to a golden age
And it's hard to tell until it's gone away
It's a long goodbye to carefree life
It's the last chance to get out of line
What's going on here? It's the end of an era
It's a precious moment
And the moment's gonna last
It's gonna last all night
It's a bachelor party, gonna pull out the plugs
It's a firm commitment (_____) to be totally insane (insane)
It's a solemn vow (serious) to forget you have brains (no brains)
It's an indication (tell tale) of a hidden desire (passion)
It's a wild ride (wild sex) through a ring of fire (too hot)
What's going on here? [Chorus:]
It's an initiation and it's paradise
It's a celebration and it's gonna last all night long
It's a bachelor party, it's gonna last all night long
Gonna pull out the plugs It's a bachelor party and it's gonna last all night long
Gonna pull out the plugs and it's gonna last all night It's the last time to break all the rules
And it's the last resort for a ship full of fools It's a bachelor party, we're gonna pull out the plugs We're gonna
get you goin`
It's an indication of a hidden desire
It's a wild ride through a ring of fire
What's going on here? It's the last time to break all the rules
And it's the last resort for a ship full of fools
And it's the last time as a free agent
And it's the last chance, it's gonna last all night long [Chorus:]
