Sad Eyes

Bat for Lashes

I don't like the things you don't say Leavin' it for such a long, long time

Why do you show me those sad, sad eyes

Each time you decide to pass on byAnd when you smile those sad eyes Look sadder and sadder stillAutumn's hue in those sad eyes

Makes me love and love them more

I'll have a bath, I'll make the dinner

And then I'll go wait for a long, long time

But still you've not passed my doorAnd when you smile those sad eyes Look sadder and sadder stillI can tell that you're lonely but it seems now

There's nothing you want me to do

So I won't try to take the sadness

From those eyes that I love

Leave it open for someone else toAnd when you smile those sad eyes

Look sadder and sadder stillTrying to hold it together

Keep my love as light as a feather

Sad eyes, baby, it's been such a long time

Keep my heart breaking in the dark

Come and spend the nightSad eyes [Incomprehensible] hold it together

(Sad eyes, oh)

Keep my love as light as a feather

(Sad eyes)

Sad eyes, baby, it's been such a long time

(Sad eyes)

Keep my heart breaking in the dark

Come and spend the nightSad eyes

Sad eyes

Sad eyes
