Walkin' In The Rain With The One I Love

Barry White

He's following me, see you tomorrow
Bye, see you in the morning, okay, girl
Oh, tell Deedee, don't be late
Okay, oh, it's started to rain, it sure is, ha, haEveryone's trying to get out the rain
Oh, it feels so good, the rain and thinking of you
Soon as I get home, I'm gonna call you
And tell you, how much I love you, oh, I feel so goodOh, I'm just walking in the rain with the one I love
Feel so fine
Walking in the rain with the one I love
On my mindTo each is own I've heard him say
Him say
Well, I got mine in so many ways
Yeah, like being togetherWhether near or far, it doesn't matter where you are
So in love with each other
Giving love so warm and free made our dream a reality
Then it'll last forever and everWith every step we take and every breath we make
Darling, just you and meOh, I'm just walking in the rain with the one I love
Feel so fine
Walking in the rain with the one I love
On my mindSo in love with each other
With every passing day we share the fact of knowing someone
Just being together making love so tenderly
Exploding into ecstasyThen it'll last forever and ever
Together we hold the key
To make forever our destinyOh, I'm just walking in the rain with the one I love
Feel so fine
Walking in the rain with the one I love
On my mindI'm gonna call him right now
Gee, I hope he's home
Hello
Baby, I'm home, I've got something to tell youWhat?
I love you
Oh, I love you too
Did you get caught in the rain?Oh, yes
It was so beautiful
Let me tell you how it startedWalking in the rain with the one I love
