Coeur D'Alene (Live in Anaheim)

Alter Bridge

When all the lights have faded
The encore's come and gone
And I can't take this no moreWell I can't keep pretending
I just can't play the part
I need the solace of her shore
I need the solace of her shoreCoeur d'Alene is calling out
And it won't be long
Coeur d'Alene I'm coming now
Where I still belongI look into the mirror
I don't know who I am
The lives are torn apartI still long for the simple
I'm just a common man
And with this aching heartCoeur d'Alene is calling out
And it won't be long
Coeur d'Alene I'm coming now
Where I still belongSafe at last in your arms
I'm safe at last in your armsCoeur d'Alene is calling out
Where the waters calm
Coeur d'Alene I'm coming now
And it won't be long
