

Lilly

We Know, Plato!

Lilly comes when you stop to call her

Lilly runs when you look away

Lilly leaves kisses on your collar

Lilly, Lilly, Lilly, Lilly, stay!

Lilly comes when you stop to call her

Lilly runs when you look away

Lilly leaves kisses on your collar

Lilly, Lilly, Lilly, Lilly, stay!

One day she passed him by

A twinkle in her eye

He said " she was meant for me!"

But when he turned around

He lost what he had found

Oh where can his Lilly be?

Lilly comes when you stop to call her

Lilly runs when you look away

Lilly leaves kisses on your collar

Lilly, Lilly, Lilly, Lilly, stay!

He searched the city streets

He tempted her with treats

But nobody stopped to taste them

Some are in his pocket

Some are in a locket

He couldn't bring himself to waste them

Ever since she's gone

Some days he can't go on

She ruined for another

Pressed up against the glass

He prays that she will pass

Now he's living with his mother

Lilly comes when you stop to call her

Lilly runs when you look away

Lilly leaves kisses on your collar

Lilly, Lilly, Lilly, Lilly, stay!

Lilly comes when you stop to call her

Lilly runs when you look away

Lilly leaves kisses on your collar

Lilly, Lilly, Lilly, Lilly, stay!

Stay, stay, stay, stay
