

For Love

Kelley Jakle

The nights are over when I cried myself to sleep
The morning's beautiful, another chance to be me
No more days of wishing life just weren't so tough
I'm gonna love, I'm gonna love, I'm gonna love

We are told from day one, it's okay to be who we are
But sometimes facing the mirror gets way to hard
Talk about chicks, talk about bad, rather quick we forget
To love in the midst of it

Hey you, in the corner, hey, queen bee makes the call
Go ahead and give a grin, it takes no time at all
Be the smile you always wanted to see
And love, love, love, say it!
I'm gonna love, I'm gonna love, I'm gonna love

I'm gonna love
I'm gonna love, love, love
I'm gonna love
I'm gonna love, I'm gonna love, I'm gonna love

If you've got a friend that's hurting and you don't know what to say
It's okay, just listen, let them know you'll stay
By their side through every endless night
And love, love, love, tell them!
I'm gonna love, I'm gonna love, I'm gonna love

I'm gonna love
I'm gonna love, love, love
I'm gonna love
I'm gonna love, I'm gonna love, I'm gonna love

I'm gonna love you (6x)
(I'm gonna love)
I'm gonna love you
(I'm gonna love, love, love)
I'm gonna love you
(I'm gonna love)
I'm gonna love you
(I'm gonna love, love, love)

I'm gonna love you
(I'm gonna love)
I'm gonna love you
(I'm gonna love, love, love)
I'm gonna love you
(I'm gonna love)
I'm gonna love you

I'm gonna love, I'm gonna love, I'm gonna love
I'm gonna love, I'm gonna love, I'm gonna love
