

# Save My Heart

Alex Mica

I want what I can't have  
I wanna make you mine  
I don't care what it takes I'm fearless with my heart  
I'll take it any place  
I don't care if it breaks I wanna tell you things  
I never tell myself  
These secrets hurt like hell, oh Call me crazy, maybe I'm insanely  
Out of my mind but it'll never phase me  
If I have to, I'm not afraid to  
Save my heart for you I'm a rebel even if it's trouble  
I'ma pull you out from the rubble  
If I have to, I'm not afraid to  
Save my heart for you Tell me I'm wrong  
Turn around and run  
Still I'm gonna save my heart for you I know you want me too  
Even if it's not now  
I'm gonna wait it out But don't you dare forget  
That moment that we had  
I know we both felt it I wanna tell you things  
I never tell myself  
These secrets hurt like hell, oh Call me crazy, maybe I'm insanely  
Out of my mind but it'll never phase me  
If I have to, I'm not afraid to  
Save my heart for you I'm a rebel even if it's trouble  
I'ma pull you out from the rubble  
If I have to, I'm not afraid to  
Save my heart for you Tell me I'm wrong  
Turn around and run  
Still I'm gonna save my heart for you  
Oh oh  
Oh oh I wanna tell you things  
I never tell myself  
These secrets hurt like hell, oh The first time that you smiled  
So shyly back at me  
I couldn't help myself Call me crazy, maybe I'm insanely  
Out of my mind but it'll never phase me  
If I have to, I'm not afraid to  
Save my heart for you I'm a rebel even if it's trouble  
I'ma pull you out from the rubble

If I have to, I'm not afraid to  
Save my heart for you Tell me I'm wrong  
Turn around and run  
Still gonna save my heart for you Tell me I'm wrong  
Turn around and run  
Still gonna save my heart for you  
Oh oh I want what I can't have  
I gonna make you mine  
No matter what it takes
