The Bidding

Tally Hall

i've been sleeping in a cardboard box
spending every dollar at the liquor shop
and even though i know i haven't got a lot
i'll try to give you love until the day you dropi've been training like a pavlov dog
sent my independence out to take a hike
all you got to do is activate my bell
and I'll fetch you anything you likegoing once! going twice!
every man here has a price!
oer where? over there! sold!
to not a single lady in herei've been in like a thousand times
dated every woman in the atmosphere
i've been to every continent
broken all the hearts in every hemisphere
and if I'm not the type of guy you like to circumvent
just remember not to love me when I disa-i graduated at the top
i like to take advantage of the bourgeoisie
so if you have a fantasy of being a queen
maybe you should blow a couple bucks on megoing once! going twice!
won't these gentlemen suffice
any here? any there?
any motions anywhere?
going twice! going thrice!
guess this means we'll go four times a ladyi promise i'll be all you'll need, ever need
you'll never have to shop around (don't shop around)
and i'll give you all you'll ever need, ever need
don't worry i will never let you down, let you down
don't worry i will never let you downso many ladies are wanting for mates
and the prospects are good but the date's never great
over here! over there! over where? anywhere!
they're too busy with winning the bidding to care
and he's
sold
