I Asked For Water

Howlin' Wolf

Oh, I asked her for water, oh, she brought me gasoline
Oh, I asked her for water, oh, she brought me gasoline
That's the troublingest woman
That I ever seenOh, the church bell tollin', oh, the hearse come driving slow
Oh, the church bell tollin', oh, the hearse come driving slow
I hope my baby
Don't leave me no moreOh, tell me baby, oh, when are you coming back home?
Oh, tell me baby, oh, when are you coming back home?
You know I love you, baby
But you've been gone too long
