# I Can't Wait

## Ric Ocasek

For your love, I just can't wait
For your touch, I just can't wait
And for your slinky smile, I just can't wait
And for your angel heart, I just can't wait'Cause when you hold me, I just melt away
And when you hold me, I like to hear you say
Night to night and day to day
I just can't wait, I just can't wait
I just can't wait for your loveFor your whisper soft, I can't wait
For your bright night eyes, I can't wait
For your silky sway, I can't wait
Oh, you know that I'll be so glad
That you came today, I can't waitOh, when you hold me, I just melt away
And when you hold me, I like to hear you say
It's night to night and day to day
Ok, I just can't wait, I just can't wait
Oh, I can't wait for your love
