Oh Baby I...

Eternal

I feel the touch of your hand
And I understand how much I need your love
You have given me wings
And I can do things I've never dreamed of
And I promise for as long as we're together
I will cherish this everlasting love
Oh baby, I need you so, you know that I can't let go
Always and forever I just want you to know
I wanna be where you are, no matter how near or far
And I wanna be the only one who can open the door to your heart
Oh baby I, baby I, baby I
Oh baby I, baby I, oh baby I
All your secrets I'll keep, they're safe here with me
And my arms will comfort you
There'll be no river too wide, no mountain too high
My heart will follow you
I'll go anywhere for as long as we're together
I will cherish this everlasting love
Oh baby, I need you so, you know that I can't let go
Always and forever I just want you to know
I wanna be where you are, no matter how near or far
And I wanna be the only one who can open the door to your heart
Oh baby I, baby I, baby I
Oh baby I, baby I, oh, oh

There may be times some rain will fall
But I won't mind it if you're here with me
Oh, we'll get by and through it all
We'll have all of the love that we need, oh baby
Oh, oh baby, oh, my darling
I'll go anywhere for as long as we're together
I will cherish this everlasting love
Oh baby, I need you so, you know that I can't let go
Always and forever I just want you to know
I wanna be where you are, no matter how near or far
And I wanna be the only one who can open the door
Oh baby, I need you so, together our love will go
Always and forever I just want you to know
I wanna be where you are, no matter how near or far

And I wanna be the only one who can open the door to your heart
I wanna be the one, oh baby, I
I wanna be the one, oh baby, I
Baby, let me be the one, oh baby, I
I wanna be the one, oh baby, I
Baby, let me be the one, oh baby, I
I wanna be the one, oh baby, I
Baby, let me be the one, oh baby, I
