

# God's Got It

## Bishop Ed Stephens & The Golden Gate Cathedral Cho

Well if you want it God's got it  
He's got everything you need  
If you want it God's got it  
He's got everything you need  
If you want it God's got it  
He got everything you need  
He got every everything  
A poor man needs  
Walking around like a vagabond  
Troubles are on your back  
Looking for money, looking for friends  
And you don't know who to ask  
Well if you want it God's got it  
He's got everything you need  
If you want it God's got it  
  
He's got everything you need  
If you want it God's got it  
He got everything you need  
He got every everything  
A poor man needs  
i believe in the Lord above  
I believe in the righteous i believe in love  
I believe in the the fire burning in my soul  
I believe that his light is going to make me whole  
Well if you want it God's got it  
He's got everything you need  
If you want it God's got it  
He's got everything you need  
Well if you need it now God's got it now  
He's got everything a poor man needs  
God's got it, he's got it.....
