

# Bleeder

## Prussia

Lay thee down  
Park your head upon my pillow  
Naked trees, they dress in crows  
Greet the horses coming nearer  
Through the rains that bring you down  
You're a man humble as a hope  
    Oh, lay with me  
    Oh, closer to my body, oh  
    When things go wrong  
    You'll find you're a bleeder

You're a man humble as a hope  
    Oh, lay with me  
    Oh, closer to my body, oh  
    When things go wrong  
    You'll find you're a bleeder  
    Oh, when things go wrong  
    You'll find you're a believer
