

# Can We Still Be Friends

**Robert Palmer**

We cant play this game anymore  
But can we still be friends?  
Things just cant go on like before  
But can we still be friends?We had something to learn  
Now its time for the wheel to turn  
Grains of sand, one by one  
Before you know, its all goneLets admit we made a mistake  
But can we still be friends?  
(Can we still be friends?)  
Heartbreaks never easy to take  
But can we still be friends?  
(Can we still be friends?)Its a strange sad affair  
Sometimes seems that we just dont care  
Dont waste time feeling hurt  
Weve been through hell togetherCan we still be friends?Can we still get together sometimes?  
(Can we still be friends?)  
Hey babe, can we still go on and on and on?We awoke from our dream  
Things are not always what they seem  
Memories linger on  
Its like a sweet, sad, old songCan we still be friends?
