

# Parachute (7th Heaven Club Mix)

## Matthew Koma

Cut me loose, my parachute won't let me fly  
I'll survive cause we've got loveOhhhhThink of me when your world seems to fall apart  
Under the weight of a heavy heart  
It's so material, criminal  
What we put up on a pedestal  
Need a spark to start a fireDon't be afraid of a chance for a miracle  
Scare it away being cynical  
Step into open skies, close your eyes  
Jump into something you don't recognize  
Just reach your arms out wide  
Cut me loose, my parachute won't let me fly  
I'll survive cause we've got love  
Summer days will fade away and pass us by  
But we'll survive cause we've got loveBaby what we've got, we've got love  
And it's all we've got, we've got love  
Baby what we've got, we've got love  
OhhhhI'll be your voice when the whispers get too loud  
Your home base and the king that keeps you crowned  
Your breath when you're choking on your words  
Your sex your right turnWhen you're ready to start, lean on my heart baby  
Close your eyes just reach your arms out wideCut me loose, my parachute won't let me fly  
I'll survive cause we've got love  
Summer days will fade away and pass us by  
But we'll survive cause we've got love  
Baby what we've got, we've got love  
And it's all we've got, we've got love  
Baby what we've got, we've got love  
OhhhhDon't need a tomb with a view on the West Side  
Just wanna wake up at your side  
Cause when you know it, you know it  
In the blink of a moment  
It's like I'm, it's like I'm  
It's like I'm falling for the first timeCut me loose, my parachute won't let me fly  
I'll survive cause we've got love  
Summer days will fade away and pass us by  
But we'll survive cause we've got loveBaby what we've got, we've got love  
And it's all we've got, we've got love  
Baby what we've got, we've got love  
Ohhhh
