

Wash, Rinse, Repeat

Kelly Clarkson

I can't take the pressure of new
Gimme old, rip it off
Let's see if it sticks to the wall again They're too dumb to see, see the truth
Give it to 'em, they will never notice
So what's stop, stop, stopping us Does it sound familiar?
Does it linger in your ear?
Like something you remember from just last year? Like sweet little lullabies in your ear?
Wash, rinse, and repeat
Hi, I'm originality I'll be playing God and you can be my (b****)
The only compromise is you get to pick
Which of these formulas is your perfect fit?
Wash, rinse, repeat
Why are you fighting it? (no, no, no)
Don't get crazy, keep between those lines (we love to)
Here's what we have in mind
We've worked with everyone
Trust us and see
Wash, rinse, and repeat Wash, rinse, and repeat
Wash, rinse, and repeat Hi, my name is (censored) and I'm here to run everything
Spreading like a cancer, I will die and take you all with me
Let you have a little bit while secretly I'm waiting
To rip that rug from underneath, can't believe you fell for it Music from the past, from the present, well, just last
week
We will change a note and get away with it (wait and see)
Just when you think that we've changed, like an addict
We sweep right back in with a dose of reality I'll be playing God and you can be my (b****)
The only compromise is you get to pick
Which of these formulas is your perfect fit?
Wash, rinse, repeat
Why are you fighting it? (no, no, no)
Don't get crazy, keep between those lines (we love to)
Here's what we have in mind
We've worked with everyone
Trust us and see
Wash, rinse, and repeat Wash, rinse, and repeat
Wash, rinse, and repeat
Wash, rinse, and repeat
Wash, rinse, and repeat The definition of insanity is to repeat the same thing, over and over, expecting a different
result

I'm insane (I'm insane)
Just wash, rinse, and repeat I'll be playing God and you can be my (b*****)
The only compromise is you get to pick
Which of these formulas is your perfect fit?
Wash, rinse, repeat
Why are you fighting it? (no, no, no)
Don't get crazy, keep between those lines (we love to)
Here's what we have in mind
We've worked with everyone
Trust us and see
Wash, rinse, and repeat Wash, rinse, repeat
You love this song (everybody can do it)
This song is the most amazing song that you have ever heard (it's easy)
(Anybody can do it, and I mean anybody)
This song is completely different from that other song, that sounds exactly the same Yes it is, yes it is, yes it is,
yes it is
