

Ka-Boom Ka-Boom

Marilyn Manson

Ka-Boom, Ka-Boom
Ka-Boom, Ka-BoomKa-Boom, Ka-Boom
Ka-Boom, Ka-BoomWe're a death marching band, Peter Pan off the wagon
Entertain but never trust anyone sober
What tastes less but tastes good, my stop hats top hating
Unsafe cheerleaders pour poms in pipe the bombsI won't do it with you, I'll do it to you
I hope this hook gets caught in your mouth
I won't do it with you, I'll do it to you
Don't say no, just say nowI like a big car 'cause I'm a big star
I'll make a big rock and roll hit
I'd like to love you but my heart is a sore
I am, I am, I am so yoursKa-Boom, Ka-Boom
Ka-Boom, Ka-Boom
Ka-Boom, Ka-Boom
I'd like to la-la-la-la love youKa-Boom, Ka-Boom
Ka-Boom, Ka-Boom
Ka-Boom, Ka-Boom
I'd like to la-la-la-la love youI'm the leader of the club, and I've shrugged off my mouse ears
We fly no-class dumbo jets, and drive hardcore-o-vettes
We fight war with drugs, and our sex always formal
We wear lawsuits when we get high, high, highI won't do it with you, I'll do it to you
I hope this hook gets caught in your mouth
I won't do it with you, I'll do it to you
Don't say no, just say nowI like a big car 'cause I'm a big star
I'll make a big rock and roll hit
I'd like to love you but my heart is a sore
I am, I am, I am so yoursKa-Boom, Ka-Boom
Ka-Boom, Ka-Boom
Ka-Boom, Ka-Boom
I'd like to la-la-la-la love youKa-Boom, Ka-Boom
Ka-Boom, Ka-Boom
Ka-Boom, Ka-Boom
I'd like to la-la-la-la love youInhale exhale, lets all hail
It's a depraved new world
Inhale exhale, lets all hail
It's a depraved new worldI like a big car 'cause I'm a big star
I'll make a big rock and roll hit
I'd like to love you but my heart is a sore
I am, I am, I am so yoursI am a big car, and I'm a strip bar

Call it fake, I call it as good as it gets
There's nothing in this world is real
Except you are for me and I am so yoursKa-Boom, Ka-Boom
Ka-Boom, Ka-Boom
