

Blue Eyes

[Amanda Bergman](#)

When you guess, you better win
All the way, you better hold it
Will we come back, you better light up in the sanctuary
I held it like that Blue eyes, said I was never waiting, said I had it
Blue eyes, said I was never waiting, said I had it (awhile?), (doubt it?) Waiting on the cold, just so light of (it
goes?)
Waiting on the fall, waiting on the fields, just to brighten the (clothes?)
Want to see the coast again Blue eyes, ----, said I had it, oh I did
Blue eyes, ----, said I had it, was never waiting Reaching, but not together, nomore
Reaching, b ut not together, nomore
Blue eyes, so say we're heading, yeah say we're heading forward
Blue eyes, so say we're heading, so say we're heading forward
