

# Alabama Jubilee

**David Grier**

You oughts to see Mr Jones when he rattles the bones  
Old Colonel Brown jumpin' 'round like some kinda clown  
Ol' aged mama she done past eighty-three shoutin' out  
I'm full o' pep Watch your step and help yourself  
Well one legged Joe jumpin' round on his ol' toe  
Threw away his crutch and hollered hey here we go  
Well it's hail hail the gang's all here for the Alabama Jubilee You oughta see
