

# Cupid's Got A Shotgun

Carrie Underwood

Oh he gave up on arrows a long, long time ago  
Turns out Iâ€™m too hard to hit so he put away his bow  
I might just keep on runninâ€™ from here to Timbuktu  
â€™Cause he gave up on arrows and I ainâ€™t bulletproof

[Chorus:]

Yeah Cupidâ€™s got a shotgun aiming at my heart  
Iâ€™ve been dodging bullets, Iâ€™ve been hiding in the dark  
Shot a double barrel, trigger happy as could be  
Cupidâ€™s got a shotgun and heâ€™s pointing it at me

Heâ€™s sitting in that treestand and his wings are camouflage  
Iâ€™m dug down in my foxhole waiting on his next barrage  
Must be open season, got a target on my back  
Think heâ€™s throwing love grenades and Iâ€™m under attack

[Chorus:]

Yeah Cupidâ€™s got a shotgun aiming at my heart  
Iâ€™ve been dodging bullets, Iâ€™ve been hiding in the dark  
Shot a double barrel, trigger happy as could be  
Cupidâ€™s got a shotgun and heâ€™s pointing it at me, yeah

[Bridge:]

Well heâ€™s got me in his sights, Iâ€™ve got a red dot on my chest  
But little does he know I strapped on my Kevlar vest  
I pulled out my Remington and I loaded up these shells  
Heâ€™s about to find out Iâ€™m a dang good shot myself

[Chorus:]

Yeah Cupidâ€™s got a shotgun aiming at my heart  
Iâ€™ve been dodging bullets, Iâ€™ve been hiding in the dark  
Shot a double barrel, trigger happy as could be  
Cupidâ€™s got a shotgun and heâ€™s pointing it at me  
Yeah Cupidâ€™s got a shotgun  
But right now heâ€™s running from me, wooh
