

All Neon Like

[Björk](#)

Not 'til you halo all over me
I'll come over
Not 'til it shimmers 'round your skull
I'll be yours I weave for you
The marvellous web
Glow in the dark threads
All neon like The cocoon surrounds you
Embraces all
So you can sleep
Foetus-style And they will assist us
'Cause we're asking for help
And the luminous beam
It feeds you
Henh-yeah, henh-yeah The soft distortion
Fills you up
Nourish nourish
Your turtleheart And they will assist us
'Cause we're asking for help
And the luminous beam
It feeds you
Henh-yeah, yeah Don't get angry with yourself
Don't, don't get angry with yourself
I'll heal you With a razorblade
I'll cut a slit open
And the luminous beam
Feeds you honey, heals you Don't get angry with yourself
I'll heal you
I'll heal you
Luminous
I'll heal you
