

Summer Breeze (Seals & Crofts Cover)

Type O Negative

See the curtains hangin' in the window
In the evening on a Friday night
A little light a shinin' through the window
Lets me know everything's all right Summer breeze makes me feel fine
Blowin' through the jasmine in my mind See the paper layin' on the sidewalk
A little music from the house next door
So I walk on up to the door step
Through the screen and across the floor Sweet days of summer, the jasmine's in bloom
July dressed up and playing her tune
And I come home from a hard day's work
And you're waitin' there, not a care in the world
