

Holiday Celebrate

Toni Braxton

I'm sitting and waiting for you
'Cause you said you're on your way
I'm so excited 'cause this is my favorite holiday (Gifts are under the tree, dinner for you
And me, how special it will be)
'Cause you and I are here
(Make all your favorite treats
So glad that it will be)

You and me on this Christmas holiday Holiday, celebrate, making out with my babe
Holiday, in the snow, kissing under mistletoe I'm thinking about all the things we can do
When I see you tonight

I'm so excited 'cause everybody's here
Let's dance all night (We'll be counting down to two, crystal for me
And you, that's what we came to do)
We came to have some fun
(Joy and laughter's in the air
So glad that we can share)

You and me on this Christmas holiday Holiday, celebrate, making out with my babe
Holiday, in the snow, kissing under mistletoe Holiday, celebrate, making out with my babe
Holiday, in the snow, kissing under mistletoe

All of the things I'm gonna do
Celebrating with you, baby
All of the things I'm gonna do
When we're alone, oh, baby
We're gonna, we're gonna
Go insane, dance in snowy rain
Even drink champagne

Baby, I can't wait to be alone and celebrate Holiday, celebrate, making out with my babe
Holiday, in the snow, kissing under mistletoe Holiday, celebrate, making out with my babe
Holiday, in the snow, kissing under mistletoes Holiday, celebrate, making out with my babe
Holiday, in the snow, kissing under mistletoes Holiday, celebrate (celebrate), making out with my babe
Holiday, in the snow (celebrate), kissing under mistletoe Holiday, celebrate (celebrate), making out with my babe
Holiday, in the snow (celebrate), kissing under mistletoes Celebrate with me
