

# At Last

Will Champlin

At last  
My love has come along  
My lonely days are over  
And life is like a songOh yeah yeah  
At last, at lastThe skies above are blue  
My heart was wrapped up in clover  
The night I looked at youI found a dream, that I could speak to  
A dream that I can call my own  
I found a thrill to press my cheek to  
A thrill that I have never known, yeah yeahYou smiled, you smiled  
Oh and then the spell was cast  
And here we are in heaven  
For you are mineAt lastOh you're mine  
My lonely days are over, yeah, over  
At last
