Megan Rochell

[Intro:]

Ooooh... ooooh... ooooh... ooooh... (oooooh)[Verse 1:]

Can't nobody say I'm not in love (nope can't nobody say it)

And can't nobody do me like you does (nope can't nobody do it)

Nobody comes on my block and brightens my day

Ain't a dude around my way that can touch me the way

But you do baby (ooh ooh baby)

Ain't no doubt about it's you

You make me wanna sing baby...[Pre-Chorus:]

La, la, la, la, la...

La, la, la, la, la...

La, la, la, la, la...

(You make me wanna sing baby)

La, la, la, la, la...

La, la, la, la, la...

La, la, la, la, la...[Chorus:]

You got me...(Floating through the sky)

You got me...(Floating through the sky)

You got me...(Floating through the sky)

You got me...(Floating through the sky cause of your love)[Verse 2:]

And now the cats be all up in my face (Nope I ain't checking for 'em...no no)

But see can't nobody take your place (Nope can't nobody)

Ain't nobody holding me down like you hold me down

One kiss from your lips and I leave the ground

It's so true baby (ooh ooh baby)

Ain't no doubt about it's you

You make me wanna sing baby...[Pre-Chorus:]

La, la, la, la, la...

La, la, la, la, la...
