

Nothin New

21 Savage

They thought I only rapped about murder and pistols
I'm tryna feed my family, I ain't being political
You ain't givin' out money then they look at you pitiful
You make a couple million, niggas greedy, they envy you
Ayy, fuck that other side, we gon' shoot up your Sprinter
I used to sell that crack and spray that MAC out that rental
Niggas run and hide when we roll down the window
Got a extendo and a hoodie, he can't wait 'til December
Got a extendo and a hoodie, he gon' shoot you on camera
Lost his faith in Jesus Christ, he prayin' to a bandana
Police gunned his brother down, this shit too hard to handle
Loading up his chopper, he gon' show 'em black lives matter
Another nigga made the news, it ain't nothin' new
He done dropped outta school, it ain't nothin' new
He done got his first tool, it ain't nothin' new
Mama own that dog food, it ain't nothin' new
He smokin' weed and he changin', it ain't nothin' new
All his friends gang bangin', it ain't nothin' new
Got a pocket full of hundreds and they all blue
Another nigga from the hood tryna ball too
Shit gettin' outrageous
Treat us like slaves then they lock us up in cages
Young, black, poor, ain't had a father since a baby
Why you think we skip school and hang out on the pavement?
Why you think we ridin' 'round with choppers off safety?
Streets cutthroat, nigga, so I'm cutthroat
I used to sell dope, nigga, now I can't vote
Poppin' Percocets to kill the pain, I can't cope
Anger in my genes, they used to hang us up with ropes
Civil rights came so they flood the hood with coke
Breakin' down my people, tryna kill our faith and hope
They killed Martin Luther King and all he did was spoke
Welcome to the hood, yeah where niggas dyin' at
Same place where the best chicken gettin' fried at
Same place where the police killin', tellin' lies at
It ain't just the babies, man, I swear the mama's cryin' now
Another nigga made the news, it ain't nothin' new
He done dropped outta school, it ain't nothin' new
He done got his first tool, it ain't nothin' new
Mama own that dog food, it ain't nothin' new

He smokin' weed and he changin', it ain't nothin' new
All his friends gang bangin', it ain't nothin' new
Got a pocket full of hundreds and they all blue
Another nigga from the hood tryna ball too
