

# Evening Psalm

**Matt Minikus & Josie Minikus**

As I gaze upon the heavens  
All the wonders of Your hands  
What are we that You remember?  
A bit of dust in this vast expanse.  
We are here but for a moment  
Take a breath and then we're gone.  
Yet you set Your love upon us  
You've engraved us on Your palms.  
Oh, You set Your love upon us  
You've engrave us on Your palms.
