

Kiss Your Mama!

Vanessa Amorosi

Stand up
Like you mama said
You can be a mouse or
You can be a man I don't have the time for
A little boy like you
Respect just ain't a word
It's something that you do You need to prove
She's everything
She's a goddess and a queen bee
Show your loving boy and you'll be king Come on! Kiss your mama
Give me everything I'm waiting for
Kiss your mama
Show respect
Go and unlock the door
Kiss you mama baby
That's what I'm praying for
You'll be mine
When I see you act like a man Nah nah nah nah nah nah nah
I know you can
Nah nah nah nah nah nah nah
Be a man
Nah nah nah nah nah nah nah
So tell who your mama now? I'll break it down so
You can understand
I'm independent
But I want a man If you think I'm uptight
Baby think again
Maybe time to grow up
Stop acting like a kid Oh what the problem
Can't a woman be a woman,
and a man be gentleman? CHORUS
Kiss your mama
Give me everything I'm waiting for
Kiss your mama
Show respect
Go and unlock the door
Kiss you mama baby
That's what I'm praying for
You'll be mine

When I see you act like a manNah nah nah nah nah nah nah
I know you can
Nah nah nah nah nah nah nah
Be a man
Nah nah nah nah nah nah nah
So tell whos your mama now?
