

Papillon

Klaus Hallen

Make our escape, you're my own Papillon

 The world turns too fast

 Feel love before it's gone

 It kicks like a sleep twitch

My Papillon, feel love when it's shone

 It kicks like a sleep twitch

Darling, just don't put down your guns yet

 If there really was a God here

 He'd have raised a hand by now

Now darling, you're born, get old, then die here

 Well, that's quite enough for me

 We'll find our own way home somehow

 No sense of doubt or what you could achieve

 I've found you out

 I've seen the life you wish to leave

 But when it kicks like a sleep twitch

You will choke, choke on the air you try to breathe

 It kicks like a sleep twitch

Darling, now just don't put down your guns yet

 If there really was a God here

 He'd have raised a hand by now

Darling, you're born, get old, then die here

 Well, that's quite enough for me, dear

We'll find our own way home somehow, how, how

 It kicks like a sleep twitch

 It kicks like a sleep twitch

Darling, just don't put down your guns yet

 If there really was a God here

 He'd have raised a hand by now

Darling, now you're born, get old, then die here

 Well, that's quite enough for me, dear

We'll find our own way home somehow

 It kicks like a sleep twitch

 It kicks like a sleep twitch
