Drink The Water

Jack Johnson

Drink the water drink it down
This time I know I'm bound
To spit it back up
I didn't want this
Salty substitute, just not going to do
I need some air, if I'm going to live through
This experience reminds me of a clock
That just won't tickI want to wake up
From this concussion
But my dream is just not done
I'm late again,
It's just one of those
Bad days look outside and
Be careful what you ride
You just might find
That you're out of time
To swim ashore
If I drift long enough
I'll be homeHe's got delusions between his ears
Man it takes up too much space
And all that tension between his gears man
He'll never ever leave this place
He's got stones instead of bones
And everybody knows
Ah, man, that can make you real real slow
And if heaven was below
He'd know just where to go
Dive in the ocean
And he'd sink like a stone
And he'd say
It's time to swim ashore
If I drift long enough
I'll be homeHold on if you can
You're gonna sink faster
Than you can imagine so hold
Hold on if you can
You're gonna sink faster
Than you can imagine so hold
