

# As the Fullmoon disappears (CD-Bonus)

## Absurd

As the fullmoon disappeard. Behind clouds above my head. He leads them to eternal battle. The armies of the dead. Black horses riding the wind. With glowing eyes I see. Vengeance comes nearer. While the frightend humans flee. As they are marching onward. And while all the heaven breaks. Soon the christian blood will stream. Together in thousand bloody lakes. Thunder and lightning. Whirlwinds and rain. Hailstorms and war. Have come to bring them pain. The clouds I see them scatter. In the blackblue nightly sky. The moon it makes the weapons glare. Christ it's time to die.
