No Filter

Fifth Harmony

[Intro: Dinah & All]
Open your heart up and let me inside it
Open your heart up, open your heart up[Verse 1: Ally]
Take off the mask for me tonight
I wanna see you for who you really are
And baby you don't have to hide
I wanna see every flaw and every scar
[Pre-Chorus: Normani]
Mmm right here, right now, put your fences down (oh)
Right here, right now, right here, right now[Chorus: Camila]
You and me, with no smoke and mirrors, mirrors
Let me see, you crystal clear, clear[Post-Chorus: All]
No filter, no filter, no filter, no filter
No filter, no filter, no filter[Verse 2: Lauren]
Cover to cover page to page
I wanna give all the secrets that I keep
Unravel me in every way
I wanna give every single piece of me ooh[Pre-Chorus: Normani]
Mmm right here, right now, put your fences down (oh)
Right here, right now, right here, right now[Chorus: Camila]
You and me, with no smoke and mirrors, mirrors
Let me see, you crystal clear, clear[Post-Chorus: All]
No filter, no filter, no filter, no filter
No filter, no filter, no filter[Bridge: Dinah & All]
Open your heart up and let me inside it
Open your heart up and let me inside it
Open your heart up and let me inside it
Open your heart up, open your heart up[Chorus: Camila]
You and me, with no smoke and mirrors, mirrors
Let me see, you crystal clear, clear[Post-Chorus: All]
No filter, no filter, no filter, no filter
No filter, no filter, no filter
No filter, no filter, no filter, no filter
No filter, no filter, no filter
