

Almost Superstars

Francisca Valenzuela

Why must I fit into the mold?
Why must I do what I am told?
I'm getting tired of expectations
I'm getting tired of trying... to fake it
You see... I'm a small winner bleeding at the finish line
It's no use, we're
living in a world of... almost superstars
Makes me feel ashamed of... what I am and what we are
But... it's alright, it's alright...
It's alright, I will find... the time, the place, the way, the will... to be... me
Am I delicious to... the touch?
Am I enough, but not too much?
If I take it off real slow?
Will you want me so much rule?
You see... I'm a small winner bleeding at the finish line
It's no use, we're living
in a world of... almost superstars
Makes me feel ashamed of... what I am and what we are
But... it's alright, it's alright...
It's alright, I will find... the time, the place, the way, the will... to be... me
Can't you see it coming the roar of my
success?
I've been waiting for it been waiting in this brand new dress
You see... I'm a small winner bleeding at the finish
line
It's no use, we're living in a world of... almost superstars
Makes me feel ashamed of... what I am and what we are
Makes me feel afraid of... what I am and what you are
Makes me feel ashamed of...
It's no use, we're living in a world of... almost superstars
Makes me feel ashamed of... what I am and what we are
But... it's alright, it's alright...
It's alright, I will find... the time, the place, the way, the will... to be... me.
