

Love Is Overrated

Shwayze

[Hook] I just wanna fuck tonight
Love is overrated
I dont wanna take my time
Cuz that gets complicated
And you get, you get so jaded
Please dont, please dont think were dating
I just wanna fuck tonight
Love is overrated [Verse 1] Raised in a trailer by the beaches
Now I got different spots all over like a cheetah
Knew this white girl, ass like bonita
But she high like she the one and when you high like I need her
Fell in love once and she cheat cheat cheated
So I fucked her best friend til she skeet skeet skeeted
Heartbroken and I won't repeat it
Ain't looking for love unless is backseated [Bridge] Anytime is the right time
Come alive in the night time
Body surfing high tide
All for the thrill of the ride
But I ain't looking for love
I ain't looking for love
I ain't looking for love tonight
I ain't looking for love
I ain't looking for love
I just wanna have a good time [Hook] I just wanna fuck tonight
Love is overrated
I dont wanna take my time
Cuz that gets complicated
And you get, you get so jaded
Please dont, please dont think were dating
I just wanna fuck tonight
Love is overrated La la la la la love is overrated
La la la la la love is overrated
La la la la la love is overrated
La la la la la love is overrated [Verse 2] Ain't no wrong way to eat it like a Reese's
And she eating adderall so she ain't really sleeping
Had her heartbroken into itty-bitty pieces

So she fucked his best friend, man he couldn't believe it
