

# Feeling Alive

Earl St. Clair

Feel cool on here My friend say I should live a little  
Need to start saying yes more  
I comprise and meet him in the middle  
Cause new actions will get you new results  
They gave me something to think about  
It's life and I'm supposed to live it out  
I'm holding on to the universe  
Praying that she don't let me down I'm afraid if I try something crazy imma end up in love, love, love  
If the world that we live in is crazy and it's difficult to trust, trust, trust I'm feeling alive  
I'm feeling alive, alive, alive  
I'm feeling alive  
I'm feeling alive, alive, alive  
If you feel what I'm saying say  
Oh, oh, oh, ohoho  
Oh, oh, oh, ohoho If you feel what I'm saying say  
Oh, oh, oh, ohoho  
Oh, oh, oh, ohoho I'm afraid if I try something crazy imma end up in love, love, love  
I learned to keep an open mind  
I was holding up my blessings dog  
Never know what you will come to find  
Who knew that oil would come from the ground  
People only know what they choose their eyes to see  
I know one thing that's for sure  
It's some much more we can be  
Don't be afraid to try something crazy you might end up in love, love, love  
Cause the world that we live in is crazy and we gotta learn to trust, trust, trust  
I'm feeling alive  
I'm feeling alive, alive, alive  
I'm feeling alive  
I'm feeling alive, alive, alive I'm feeling alive  
I'm feeling alive, alive, alive  
I'm feeling alive  
I'm feeling alive, alive, alive If you feel what I'm saying say  
Oh, oh, oh, ohoho  
Oh, oh, oh, ohoho If you feel what I'm saying say  
Oh, oh, oh, ohoho  
Oh, oh, oh, ohoho If you feel what I'm saying say  
Oh, oh, oh, ohoho  
Oh, oh, oh, ohoho If you feel what I'm saying say

Oh, oh, oh, ohoho  
Oh, oh, oh, ohohoIf you feel what I'm saying sayI'm feeling alive  
I'm feeling alive, alive, alive
