Dehumanization

DEADSKIN

Lyrics: Angela GossowThis is the age of dehumanization
Perverted creation
Damned, misled children
You never stood a chance
Resurrecting a dead messiah
For a paralysed race
Damned, misled children
You never stood a chanceInfected
Neglected
The new breed of a generation to come
Rejected
Ill-fated
The new breed - a generation to killSowing the seed of suffering
Upon these fertile hearts
Damned, misled children
You never stood a chance
Chosen to be slaughtered
By the masters of manipulation
Dmaned, misled children
You never stood a chanceInfected
Neglected
The new breed
Of a generation to come
Rejected
Ill-fated
The new breed
Parasites
A generation to kill
