

# Upside Down

## A-teens

Upside down  
Upside down  
Upside down  
My grades are down from A's to D's  
I'm way behind in history  
I've lost myself in fantasies  
Of you and me together  
I don't know why but dreaming's all I do  
I won't get by on mere imagination  
Upside down, bouncing off the ceiling  
Inside out, stranger to this feeling  
Got no clue what I should do  
I go crazy, if I can't get next to you, to you  
My teacher says to concentrate  
So what? His name was Peter the Great  
Kings and Queens will have to wait  
'Cuz I don't have forever  
I wish that I could walk right up to you  
Each time I try the same old hesitation  
Upside down, bouncing off the ceiling  
Inside out, stranger to this feeling  
Got no clue what I should do  
I go crazy, if I can't get next to you, to you  
Somehow, someday  
You will love me too  
One day will be the day  
When all my dreams come true  
Upside down, yeah, yeah, yeah, yeah  
Upside down, bouncing off the ceiling  
Inside out, stranger to this feeling  
Got no clue what I should do  
I go crazy, if I can't get next to you  
Upside down, bouncing off the ceiling  
Inside out, stranger to this feeling  
Got no clue what I should do  
I go crazy, if I can't get next to you  
I go crazy, if I can't get next to  
I go crazy, if I can't get next to  
I go crazy, if I can't get next to you
