

Let Me Be

Britney Spears

You try to read me
You try to figure out
You try to breathe me
But you can't blow me out
You try to feel me but I'm so out of touch
I won't be falling
You won't have to pick me up Sorry if I sound confused
I don't feel the way you do But I won't turn around x2 You think I might back down but I won't
Think that I might have doubts but I don't
No insecurities
Won't you just let me, let me be
Think that you know me now but you don't
Think that I-I can't stand on my own
Ain't my philosophy
Won't you just let me, let me be Trust in my instincts
Trust that I know what's right
These are the reasons that keep you up at night (at night) Tell me "Go slow"- This is my flow
'Cause you don't know- know what I know
Let me tell you how it feels
Baby it's time that you see me for real Sorry if I sound confused
I don't feel the way you do You think I might back down but I won't
Think that I might have doubts but I don't
No insecurities
Won't you just let me, let me be
Think that you know me now but you don't
Think that I-I can't stand on my own
Ain't my philosophy
Won't you just let me, let me be Trust that I know, this is my show
Letting you know, Gotta go the way I go x2 You think I might back down but I won't
Think that I might have doubts but I don't
No insecurities
Won't you just let me, let me be
Think that you know me now but you don't
Think that I-I can't stand on my own
Ain't my philosophy
Won't you just let me, let me be You think I might back down but I won't
Think that I might have doubts but I don't
No insecurities
Won't you just let me, let me be

Think that you know me now but you don't
Think that I-I can't stand on my own
Ain't my philosophy
Won't you just let me, let me be
