Save A Prayer

Tony Hadley

Dear Lord, Jesus, Buddha, Allah or can I just call You Joe
I've got a lot of things to tell You and some things I gotta know
I'm tired of hearing talk about this world's about to end
If we can die together, then can't we all be friends?
I gotta know, hey, I gotta know
So Mister can you tell me, gotta know
Baby, can you tell me, gotta know
Whoa, oh, oh, I gotta know
Yeah, yeah, yeah, I gotta know
Baby, can you help me, gotta know
I gotta know
Did you ever feel like you were drowning?
Did you ever feel betrayed by a kiss?
Did you ever feel like you needed somebody?
Would you feel alone in a world like this?
Did you ever feel like you needed shelter?
Did you ever laugh when you wanted to cry?
Did you ever dream about evolution?
Don't you ever feel like you're living a lie?
Oh, whoa, too many children grow up blind to the truth
I say, oh, oh, oh, oh, say a prayer for me, I'll save a prayer for you
Did you ever feel like you were helpless?
Did you ever feel like an open wound?
Did you ever feel that there ain't no forgiveness?
Did you ever feel that close to the truth?
Oh, whoa, the world closed their eyes on the blinding truth
I say, oh, oh, oh, oh, say a prayer for me and I'll save a prayer for you
I'll save a prayer for you, I'll save a prayer for you
I'll save a prayer for you, for you, for you, I'll save a prayer
Did you ever feel like you need shelter?
Did you ever feel like you lived through the flood?
Did you ever feel a lust for survival?
Did you ever feel, feel, feel?
The world keeps turning, Rome's still burning
There's too many hearts that haven't found a home
This train's on the tracks and the world's on my back
Save a prayer for me and I'll save one for you
No one to blame, but it's hard to explain
Why too many soul's are feeling so alone

You've got to hold on if it's all you can do
Save a prayer for me, I'll save a prayer for you
I'll save a prayer for you, I'll save a prayer for you
I'll save a prayer for you, for you, for you
